

EU Declaration of Conformity
In accordance with Directive 2014/68/EU

The manufacturer herewith declares that the pressure equipment:

Description:	Safety Valve, Direct Acting, Spring Loaded
Type, Serial, Identification No.:	LR6000, MR6000, HR6000, XR6000
Sizes:	¼"-NPT, ¼", 6/8/12 mm Gyrolok®
Maximum Allowable Working Pressure:	LR6000: 48 barg [700 psig] MR6000: 414 barg [6000 psig] HR6000: 482 barg [7000 psig] XR6000: 482 barg [7000 psig]
Set Pressure:	0.5-413 barg [7-6000 psig]
Pressure Test Medium:	Nitrogen (N ₂)
Fluid-Gas Group:	1 & 2

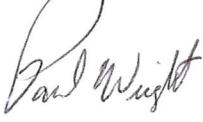

Corresponds to Pressure Equipment Directive 2014/68/EU.

Applied Conformity Assessment Procedures:	Module B + D
Applied Standards and Technical Specifications:	EN ISO 4126-1 ASME BPVC Section VIII

Engaged Notified Body:

Inspections:	TÜV Rheinland Industrie Service GmbH Am Graun Stein Cologne, Germany CE 0035
--------------	--

EC-Type Examination Certificate No.:	01 202 642-B-14-0069
Surveillance of Quality Control System:	01 202 USA/Q-08 7928
