Paul Wright
Hoke Inc. (conducting business as Circor Instrumentation Technologies)
405 Centura Court
Spartanburg, SC
29388
United States

Dear Paul Wright,

The request for renewal of the Certificate of Registration for your manufacturing facility has been received. Although an audit of your manufacturing facility cannot be completed at this time, we have extended the expiry date of your Certificate of Registration.

Please find enclosed a revised Certificate of Registration, number TC 162H. This Certificate of Registration supersedes any Certificate of Registration previously issued to this facility.

Please contact us at MOCRegister-RegistreContenant@tc.gc.ca should you have any questions or wish to request amendments to this registration. Please refer to your file number **ASD 4067-26-2-0162** or your registered mark in any correspondence related to this registration.

Sincerely,
Engineering Services

Certificate of Registration

Pursuant to its application on file with Transport Canada, to the *Transportation of Dangerous Goods Regulations*, and to Clause 25 of CSA Standard CSA B339-08, *Cylinders, Spheres, and Tubes for the Transportation of Dangerous Goods* ("Standard CSA B339-08"),

Hoke Inc.
(conducting business as Circor Instrumentation Technologies)
405 Centura Court
Spartanburg, SC 29388
U.S.A.

("the manufacturer") is granted this Certificate of Registration to manufacture containers subject to the following conditions:

- 1) The manufacture and inspection shall be in accordance with:
 - a) the requirements of Standard CSA B339-08 applicable to Specification TC-3ANM and TC-3ASM cylinders, and
 - b) the specific manufacturing, quality control, and inspection procedures on file with Transport Canada;
- 2) The containers shall comply with the applicable manufacturer's drawings from among those listed in the attached Appendix A;
- 3) The manufacturer's registered mark is "**HOKE**"; and
- 4) Not later than twenty days after any change occurs in the information on file at Transport Canada supporting the manufacturer's registration, the manufacturer shall advise the Transport Dangerous Goods Directorate of any such change.

This Certificate of Registration may be suspended or revoked in the event of failure to comply with the above-mentioned conditions or with any applicable regulation.

Dated: 1 May 2015

Expiry Date: **1 May 2020**
